

## Band Biography

The Filthy Micks are a four-piece band consisting of bass, drums, two guitars and powerful vocals. Formed in 2001 by drummer/lead vocalist, Mike Rogers, the band has gone through different line ups since its inception. But, this line up is the best it has ever been. Mike on drums/lead vocals with longtime musical partner Vinny on guitars/vocals, Shawn on bass, Steve on guitars and the new addition of Jeanine on Lead vocals.

The band is doing songs from the seventies right up to today. Genres include modern rock, classic rock and funk/dance tunes. The show offers a little bit of everything, which has been received locally in high esteem. The show is energetic, the music is polished and the vocals are strong.

A full PA system and light show is available for every occasion and is scalable to every size venue. Our promotional standards that come with every job we take on include: our extensive email list, phone lists, mailing lists, flyer handouts and our web site. We also include the promotion of your bar, benefit or corporate engagement on the web site. Included in our press package is a sample CD, current song list, band photos and other promotional items.
